

Notice to Mariners № 08 of 2018

Jersey South Coast- Approaches to St Helier – The Small Road Chart BA 3278

Sea plane operations in the Small Road of St Helier

1. The Jersey Harbour Master has initiated a Navigational Risk Assessment concerning the proposed operations of sea planes landing and taking off in the Small Road of St Helier. Marico has been employed to carry out an independent assessment on behalf of the operator. The full consultation document, that includes how to submit comments, list of consultees already identified, can be found through the following link: [Seaplane Consultation Document](#)

Consultation on Sea Plane Operations in Small Road

Captain Bill Sadler
Harbour Master, Jersey Harbours
