

Safety Bulletin 07 of 2016

Maintenance Diving in La Collette Marina, Elizabeth Harbour and Elizabeth Marina

Mariners are advised that maintenance diving will be taking place in La Collette Marina, Elizabeth Harbour, St Helier Marina and the New North Quay Sump commencing the 21st of June 2016 for approximately 5 days.

St Helier VTS will provide hourly navigational warnings on VHF Channel 14 informing mariners of the location of the diving operations.

Dive operations will be scheduled around shipping movements and divers will be required to exit the water on notification of passing traffic.
