

Notice to Mariners № 16 of 2017
Jersey South Coast – BA Chart 2669 & 3656

Plateau Des Minquiers

Mariners should note that the SW Minquiers Buoy in position 48° 54.342'N 002° 19.382'W has been modified. The wave actuated whistle has now been replaced with a wave actuated bell.

This notice will remain in force until a chart correction has been issued.

Captain Bill Sadler
Harbour Master, Jersey Harbours
