

Notice to Mariners № 13 of 2018

Jersey South Coast – BA Charts 1137

St Helier VTS Intermittent RADAR Coverage, South Coast of Jersey

1. St Helier VTS are operating with intermittent radar coverage to the SW of Jersey, and are only providing an Information Service (INS) for this Area. A Traffic Organisation Service (TOS) is still operating Noirmont Point eastwards.

Refer to [General Direction N°6](#) [St Helier VTS – Participation, Reporting and VTS Area] for more information.

This Notice will be cancelled with the promulgation of a further notice.

Captain Bill Sadler
Harbour Master, Jersey Harbours
