

Safety Bulletin 02 of 2017

On Water Events

On water event organisers are reminded that they should submit the following information to Jersey Coastguard.

- ✓ **Minimum of 2 months prior to the event.**
 - Date of event
 - Time and duration of the event
 - Type(s) of activity – e.g. swimming, sailing, kayaking, SUP, surfing,
 - Forecast Number of Participants
 - Planned Route / locations
- ✓ **Minimum of 1 month prior to the event.**
 - Risk assessment (if applicable)
 - Event emergency contact details - Name and Mobile number
 - Details of support craft
 - Expected Number of Participants
 - Confirmed Route / locations

Please note that any hold-up to submit this information could result in your event being regrettably delayed! Any advice on risk assessment can also be sought from Jersey Coastguard and further Guidance on organising water based events can be found on the following websites:
