

Safety Bulletin 08 of 2016

South Coast Hydrographic Survey

Mariners are advised that Survey Vessel HMS Gleaner will be carrying out a Hydrographic Surveys on the south coast of Jersey and will be operational in the area until the 25th August 2016.

St Helier VTS will provide hourly navigational warnings on VHF Channel 14 informing mariners of the location of the survey operations.

Survey operations will be scheduled around shipping movements.
