

General Direction No: 8¹

Port & Harbour Limits

The port and harbour limits for Jersey Harbours are identified in the Schedule of the Air and Sea Ports (Incorporation) (Jersey) Law 2015 and described in the paragraphs below. All coordinates are referred to WGS 84 datum. Regulation of St Helier and the Outlying Harbours are the responsibility of the Harbour Master. In addition, the Harbour Master may designate facilities in a Harbour that may not be used except in accordance with an agreement in accordance with the Harbours (Jersey) Regulations 1962 Regulation 6. Such agreement will be in the form of Terms and Conditions or Conditions of Use for the management of the use of the facility or facilities. These Terms and Conditions or Conditions of Use will be posted on the “Reports and documents” section of the website and carry the same regulatory powers as the associated General Direction(s). Any changes will be promulgated by Notice to Mariners and/or Mail2U.
